

Some fun photo shoots...

Childish Gambino, aka Donald Glover, filmed **3005** on the Wheel. Very talented guy and fun to work with.

2017's **Bachelor** had Nick & Danielle enjoying a 1 on 1 date here in Balboa. There was more security for this than if the President were in town.

Connie Britton and Eric Bana enjoy a ride while filming **Dirty John**. A crazy story based on true events.

House Hunters looking to enjoy the dream!
